Nicole,

I just scrolled down. The tree has green leaves. Why would they think it was dead?

Hi Lorena,

Would PBID be able to remove this tree and put a new one in?

It's not a dead tree.
UFD can issue a permit for the BID to remove and replace. A request for tree removal permit can be made via Service Request.

Hello,

I'm not sure if this is an Urban Forestry request or PBID request, please advise. Is this tree dead? It looks rotted from the inside. If so, who can remove it and replace?
